PROFESSIONAL EXPERIENCE

Lemon Ideas, Nagpur — Growth Intern (Content Creation & Video Editing) | Apr 2025 – Oct 2025

- Planned and produced platform-specific content for Instagram, YouTube and LinkedIn, from audience research and ideation through creative planning, production and publishing.
- Produced 120+ videos and 50+ graphics and posts for social media and promotional campaigns using Adobe Premiere Pro, CapCut, Photoshop and Canva, tailoring formats to each platform.
- Iterated content formats and creative approach based on audience response and platform requirements to support engagement and brand visibility.
- Coordinated content calendars, campaign planning and delivery timelines with stakeholders while managing multiple deliverables across platforms.

Google Student Ambassador — Google Gemini Program | Aug 2025 – Feb 2026

- Selected as YCCE's sole Google Student Ambassador to represent Google Gemini to a campus community of 1,250+ students.
- Promoted participation through peer outreach and content, running monthly campus workshops and Gemini demonstrations on applying AI to coursework, research and coding.
- Built and managed a campus AI community channel to grow student adoption and engagement; submitted monthly reports to program leads.

PROJECTS

Hiring Wallah — Hiring-Tech Product Concept (project)

- Conducted market and competitive analysis of Naukri.com, LinkedIn and Apna to understand recruiter and candidate pain points, including 36-day hiring cycles and 75%+ underqualified applicants.
- Built the business case covering positioning, go-to-market strategy and revenue model, and presented the concept in a live pitch.

ACHIEVEMENTS

- **National Finalist** — Smart India Hackathon 2025 (Team SpiritX); contributed to research, solution design and wireframing.
- **Finalist** — IIT Patna Startup Showdown
- **5th Rank** — MGI Ideathon, among 75+ teams
- **Deep Dive Round** — Capgemini AgentifAI Buildathon 2026 (team project).

CERTIFICATIONS

- **Content Marketing Certified** — HubSpot Academy
- **Intro to Growth Product Management** — Udemy
